

Hello !!!

I'm Ashutosh Sahoo

PROFESSIONAL DEVELOPER

I am a passionate full stack developer with a knack for crafting robust and scalable web applications. I have honed my skills in front-end technologies like React ,Next.js, as well as back-end technologies like Node.js, express,mongoDb. My goal is to leverage my expertise to create innovative solutions that drive business growth and deliver exceptional user experiences.

PORTOFOLIO 2025

MY BIOGRAPHY

I am a dedicated and versatile Full Stack Developer with a passion for crafting efficient, user-friendly web applications. My expertise spans a wide range of technologies, including React, Next.js, Node.js, MySQL, and MongoDB. My journey in web development started with a deep curiosity about how things work, evolving into a career where I continuously embrace new challenges and learn from them. In addition to my development skills, I am a digital marketing and web development expert with 3 years of experience in SEO, PPC, Social Media, Content Marketing, and Website Development.
